

Dear Prospective Vendor:

On behalf of the National Society of Black Engineers (NSBE), I cordially invite you to participate in NSBE's 50th Annual Convention, in Atlanta, Georgia, as a participant in our NSBE Marketplace on March 22nd and 23rd.

The NSBE Marketplace is an excellent opportunity for your business to sell your products or services to some of the best and brightest engineering professionals in the world.

Our NSBE Jr., collegiate students, graduate students, professionals, and Board of Corporate Affiliates members are excited to support you. The Annual Convention provides an exclusive opportunity for NSBE members to buy your products or services. As a result, you have a chance to market yourselves and form new partnerships that may significantly grow your clientele.

NSBE's Annual Convention heads to Atlanta after much success during the event last year, where nearly 14,000 students and professionals were in attendance and more than 300 organizations participated in our career fair, competing for the best engineering talent in the Black community. Our Annual Convention recognizes excellence among professionals, corporate, government and academic leaders as well as university and pre-collegiate students, during the NSBE Golden Torch Awards ceremony, a highlight of the Annual Convention. These awards illustrate the possibilities that can be cultivated through support and responsibility. The proceeds of the convention are used to create scholarships for gifted high school, undergraduate and graduate students. Various media outlets will cover our Annual Convention.

Founded in 1975, NSBE is a 501(c)(3) nonprofit, student-governed organization with more than 35,000 active members in the United States and abroad. We are dedicated to the academic and professional success of Black engineering students and professionals. NSBE offers its members leadership training, professional development, mentoring opportunities, career placement services and more.

NSBE's 50th Annual Convention will be held at the Georgia World Congress Center, March 20-24, 2024. To request more information, please contact me at cpchospitality@nsbe.org. I hope to see you there!

Sincerely,

Oluwaseyi Osinubi

NSBE 2024 Annual Convention Planning Committee Hospitality & Volunteer Coordinator
